Intermediate	75.4%
S.S. Public School, Lucknow, UP	2020
High School	84.16%

Technical Skills

- **Languages:** JavaScript, Java, SQL, HTML, CSS
- **Frameworks/Technologies:** React.js, Express.js, Node.js, Bootstrap
- **Tools:** GitHub, VS Code
- **Core Concepts:** DSA, OOPS, Operating Systems, Web Development

Projects

- Wanderlust** | [Node.js](#), [Express.js](#), [EJS](#), [MongoDB](#), [Bootstrap](#), [Cloudinary](#) [Live Demo](#) July 2025
- Developed a **full-stack rental web application** inspired by Airbnb, enabling users to create, browse, and manage property listings.
 - Implemented **EJS templating** and **Bootstrap** for a responsive, user-friendly interface.
 - Integrated **user authentication**, **image uploads via Cloudinary**, and complete **CRUD operations** for property listings.
- Text-to-Speech Converter** | [JavaScript](#), [Web Speech API](#) [Live Demo](#) Jan 2025
- Built a web application that converts written text into natural, real-time speech output.
 - Implemented a feature allowing users to select from multiple available system voices.
 - Created a responsive and visually appealing interface with a modern, user-friendly design.
- Weather App** | [React.js](#), [Material-UI](#), [OpenWeatherMap API](#) [Live Demo](#) Jun 2025
- Developed a **responsive weather forecasting web app** that displays real-time weather data.
 - Shows temperature, humidity, minimum and maximum temperatures, and “feels like” values based on user location or search input.
 - Implemented a user-friendly interface for easy navigation and quick access to weather information.

Achievements

- Solved **400+** problems on **LeetCode**.
- Leetcode Contest Rating : 1389

Certifications

- MERN Stack Web Development - Apna College
- DSA with Java - Pw Skills
- ChatGPT for Beginners -Great Learning

Professional Skills

- Problem-solving, Team collaboration, *Adaptability* (flexible to relocate), Quick learner, Effective communication
